

RF-DC-6

6 Bay Charging Station for
RF-RX1 Receivers and RF-TX1 Transmitters

CONTACTA RADIO FREQUENCY

The RF-DC-6 Charging Station is for use with the RF-RX1-915 Portable Receivers and RF-TX1-915 Portable Transmitters. It can hold up to 6 devices in a standing position with a simple drop-in connection.

The built-in digital panel enables fast and easy programming of multiple devices, including data copy and channel sync. The smart programming software provides fast setup from a master device.
