ALERT MASTER®

ALL-IN-ONE WIRELESS
NOTIFICATION SYSTEM

Designed for people with moderate to profound hearing loss. Ideal for the Deaf. Optional accessories can alert you to a baby crying or the presence of an intruder.

- **Flashes a connected lamp and shakes your bed to alert you to activities within the home**
- **Lighted LEDs indicate the following events: ringing telephone, alarm clock, doorbell, loud sound, motion sensor or audio alarm (may require optional accessories)**
- **Includes powerful bed shaker for night-time notification**
- **Includes wireless doorbell**
- **Distinct flashing patterns and lighted icons on unit help you distinguish between the telephone and the doorbell**
- **Simple set up. No wiring required, just plug it in**
