## A great way to start your day.

Whether you are ready to drop after the daily grind or just need a catnap to recharge, Vibio will make sure you get up on time. Set the alarm in the easy-to-use app, available for both iOS and Android, and tuck Vibio under your pillow or mattress. When it's time to start your day, Vibio will wake you with silent but powerful vibrations. Vibio is the perfect choice for heavy sleepers, couples and people with hearing loss.

Vibio can even notify for calls and messages during the nap, so you don't miss out on anything important. Not ready to get out of bed yet? Pull the snooze strap under the pillow for a few more minutes in the sack.
