

# Trouble hearing the television? Now hear clearly!

## Set up your C120 in four easy steps:

1. Plug the phone line cord into a wall jack and then into the C120 base.
2. Plug the phone line cord from your telephone into the C120 base.
3. Plug the audio cord into your television and then into the C120 base.
4. Plug the AC Adapter into the C120 base and then into a power outlet.

MSRP:  
**\$189.95**

## Sound and Comfort: Together Again™ with the C120™ Wireless TV Amplifier

Wirelessly transmit stereo sound from a television to your lightweight amplified headset and once again hear the TV clearly and comfortably without disturbing others.

- Featuring Clarity® Power™ technology and amplification of up to 50 decibels at 124 dBSPL
- Compatible with TVs, Stereos, MP3 players and public IR systems in museums, concert halls and houses of worship
- Telephone call notification: *Connect your telephone line to the C120 base and receive notification through the headset when your phone is ringing*
