

simplicity and peace of mind™

CLARiTYLife®

**More than just a mobile phone,
this is mobile peace of mind.**

The ClarityLife C900 gives you the freedom to stay connected with the ones you love and know that help is available wherever you go.

- **Easily place and receive calls with large 4-button operation**
- **See clearly with the large backlit screen and large text size**
- **Hear every word loud and clear with up to 20 dB amplification**
- **In case of emergency, get help quickly by pressing the red emergency button**

How does ClarityLife® work?

Are you in need of assistance right away?

Press the red heart button on the back of your phone.

ClarityLife calls and sends text messages to five pre-programmed numbers to connect you with a loved one who can help.
