

"YOU'LL UNDERSTAND EVERY WORD OF EVERY MESSAGE THE VERY FIRST PLAY; GUARANTEED!"

Serene Innovations Model VM-150

AMPLIFIED ANSWERING MACHINE WITH SLOW PLAY-BACK

Features

- Selectable slow play-back speeds guarantee all words in message to be understood within the first message play
- Powerful amplifier and large speaker increases sound up to 40+dB; no more straining to hear
- HDS (Hi-Definition Sound) technology make all words sharp and clear
- Call Intercept allows user to answer or pick-up call and talk mid-message
- Battery backup ensures full operation during a power outage
- Bright and easy to read; 0.5" LED display
- Output jack for telecoil or neck-loop for hearing aid and cochlear implant users
- Easy set-up, just plug-in and use right out of the box with the pre-recorded greeting message (English, French, or Spanish)
- 22 minutes of recording time, remote access, toll saver and more
- One year warranty
