

Receiver Mini

Notifying you to household events – and identifying each with color LED icons.

Bright, brighter or brightest – a three-way strobe light alerts you to events throughout your home or office with the Medallion™ Series Mini Receiver. Featuring million-code technology to ensure you never get fault alarms from neighbors in high-density living areas who are using other RF-based products, it's compatible with all Medallion™ Series Transmitters. It even identifies specific alerts with color LED icons for sounds, telephone calls, doorbells, fire, smoke and more.

Features/Benefits

- > Alerts you to phone calls, doorbells, sounds, weather alerts, fire, smoke, carbon monoxide and more
- > Notifies you with a flashing strobe light with three settings: bright, brighter or brightest
- > Identifies specific events with any of six lighted and colored icons
- > Works with all Medallion™ Series Transmitters
- > Operates with million-code technology designed for apartments, condominiums, dormitories, hotels and public housing to ensure you never get fault alarms from neighbors using other RF-based products; also ideal for use in single-family homes
- > Activates the (optional) Bed Vibrator (VIB-PJ)
- > Features the Silent Call 5-Year Limited Warranty
