

Bed Shaker, Wake-up Pad

Model VIB12V

The Bed Shaker & Wake-up Pad is a very effective and relaxing way to start your day. It works with the MyAlert™ multi-function remote receiver (WR101T) to quietly and comfortably wake you even without sound. Just place the VIB12V under the mattress (most effective) – wakes even the deepest sleepers guaranteed!

Features:

- Generates a strong vibration to alert you
- Cord Length: 68" / 5'8"
- No Batteries required
- Requires AC power supply (PS800), will not work on batteries alone
- One Year MyAlert warranty
- MSRP \$14.99
