

Strobe Weather Alert

When storms threaten, it alerts you to National Weather Service radio warnings.

Gain instant notification to potential emergencies with the Weather Alert Strobe. It works with the Weather Radio (WX-67) or other compatible weather alert radio and flashes the strobe light when the NWS (National Weather Service) broadcasts a warning for severe conditions. Offering a simple, plug-in connection to the radio, it is powered by two AAA batteries.

Features/Benefits

- > Alerts you to NWS (National Weather Service) warnings
- > Plugs into the Weather Radio (WX-67) or other compatible weather alert radio
- > Operates on two (2) AAA batteries (not included)
- > Features the Silent Call 1-Year Limited Warranty

Specifications

Power: Two (2) AAA batteries

30-Day Return Policy If Not Completely Satisfied

1-Year Limited Warranty: This Silent Call product is warranted to be free of defects in material or workmanship for one year from the date of initial purchase. During that time, the unit will be repaired or replaced free of charge (three- to five-day turnaround) when shipped prepaid in original packaging to Silent Call Communications. This warranty is void if the defect is caused by customer abuse or neglect.
