

A white, circular vibrating alarm device with a textured surface and a small red and green LED indicator is placed on a dark, reflective surface. Next to it is a smartphone with a blue screen. The background shows a white pillow and a grey, textured blanket.

# SONIC BOMB

Vibrating Alarm *SS125BT*

**OUR SONIC BOMB WIRELESS VIBRATING ALARM,**  
*AKA THE SS125BT, WILL SHOCK YOU AWAKE! DON'T*  
**BE SURPRISED IF YOU JUMP OUT OF BED!**

As the most powerful bed shaker in the universe, the Sonic Bomb Vibrating Alarm is like a shark about to sneak up on you. The force of the shake will shock you awake quickly and your feet will be moving as you run to start your day. Just like the shark is king of the seas, the SS125BT stands as the king of all vibrating alarms. It will keep you alert to text messages, phone calls, and Gmail when you allow those notifications on your phone. Don't think about choosing a weaker option. Go with The SS125BT!
