Teltex GLT Captioning Tablet with Geemarc V2T-10

Captioning Tablet for your Corded Home or Business Phones

Add the Teltex GLT Captioning Tablet with Geemarc V2T-10 to most corded phones and see your complete captioned conversation in real time.*

The V2T-10 Converter includes two modes: Voice to text conversion of the incoming part of the conversation only or voice to text conversion of both parts of the conversation.

**Requires high speed internet in your home or office to run the captioning tablet.*
