- Works with computers, smartphones, tablets
- Single 3.5 mm jack

Teltex HS-Smart

Headset w/microphone for Smart Devices

A smart headset for all of your devices.

The simple way to start talking when using computers, smartphones and tablets. Features a standard 3.5mm audio jack and is compatible with most operating systems and platforms. Includes a 2.5mm headset adapter for use with landline phones.

A reliable headset for daily tasks including video calls with family or colleagues.

Sturdy yet lightweight stereo headset has a broad range of adjustment. Ultra-soft foam ear cushions provide hours of comfort.

Boom can rotate 180° to be worn on the left or right. Flexible mic can be positioned for better voice capture and background noise reduction. Boom can be tucked out of the way when you're not using it.
